

## How fan films shaped The Lego Movie

1. What style of animation did most fans use to make their Brickfilms?

- a. CGI
- b. stop motion
- c. rotoscoping

2. Do you take more pictures when you're 'shooting on twos' or 'shooting on ones'?

- A. ones
- B. twos

3. Name three stylistic choices in the LEGO movie that replicate or echo the stylistic choices of the fan-made Brickfilms? *In other words, how did the Lego movies include fan-made Brickfilms as a way of honoring their creativity?*

4. Why did it matter to the creators that the audience can freeze almost any scene and re-create it at home?
